## Sports Day – Wednesday, 23<sup>rd</sup> May 2018

To accommodate all classes the P4 – P7 will hold their sports day in the morning and P1 - 3 in the afternoon. Start times are below:

P4 – P7	9.30 am	P1 – P3	1.30 pm
---------	---------	---------	---------

This year we have chosen a Commonwealth theme. Each class will choose a Commonwealth country and will wear a colour to represent that country. Class teachers will be in touch soon to notify you what colour your child should wear. The children can come to school in their sports kit with a water bottle. If the sun shines please ensure your child has been applied with sunscreen and/or wear a sun hat.

There will be nine events this year. Each class will move around the stations together. When all of the events have been completed, the classes will then take part in flat races.

If you can join us, please make your way to the backfield for the start of the events. The class teachers will bring the classes out and take them to their starting point. We hope you can join us and look forward to welcoming you soon.
