

Curriculum Entitlements Plan – Parental Responses 13 responses

Our curriculum entitlements plan has been a few years in the making. We've consulted with pupils, staff and parents and then carried out a final consultation activity with parents at the end of the 2017-2018 session. This is what you told us and how your responses were considered.

What do you like about this plan ?	Our response
<p>Good plan/variety x5 Lots of opportunities to learn great things in a fun way Would like to see this updated yearly to see progress Gives children opportunity to experience events that are often taken for granted Work with emergency service Visit a beach Visit Arthur's Seat Positions of responsibility to build self esteem Taking part in fundraising Bikeability x2 Participate in outdoor learning Instrumental lessons Swimming lessons Culture, art, science, sport, fun, nature Varied experiences some of which may only be possible in school for some children Makes use of all resources around Edinburgh Camp, poppy factory & risk factory are all a must</p>	<p>Yes, entitlements will be tracked on an ongoing process to monitor progress</p>
<p>What else should be included ? Dance Art gallery to tie in with projects Trip out of Edinburgh – think this should be more than the pantomime for P2 Gardening activity Visit to a foreign embassy Visit to a council or tax office Visit a theatre Nature classes – learning about plants and animals Environmental issues eg. Cramond beach clean Visit to Glasgow Science Museum – combines train, science and getting out of Edinburgh</p>	<p>Our response Yes, now included Most experiences will be designed to complement ongoing work of the class Not necessarily – plan already ambitious Yes, now included Yes, this and suggestion below now included Yes, already included Yes, already included through outdoor learning Yes, now included Good point – will look at this but need to consider cost</p>
<p>What should be taken off the plan ? Nothing x8 Shopping Poppy Factory – feel it has become a political symbol causing unnecessary divisions in society Zoo ideal for sex education but times in past when it's been too frequent.</p>	<p>Yes, has been removed Interesting comment, we'll continue to make sure we approach this without bias Yes, zoo trips now must be relevant to topic in class</p>
