

Primary 6B Newsletter - Oct 2019

Notes:

Primary 6 have had a great first term and are enthusiastically applying themselves to the new term.

Homework will be continuing this term in the form of a Homework grid. The children will receive weekly reading to practise at home. This is to improve both their fluency and the vocabulary they are exposed to and will help with both their reading and writing skills. Homework will be handed out on a Tuesday and returned the following Monday.

As the seasons change and the weather is getting colder, please ensure that your children come to school with a warm jacket for break times.

Please also make sure your child has a refillable water bottle plus a snack for break.

Upcoming events:

31st October: 6.15-7.15pm Halloween disco (£2)

4th November: Class trip to Queensferry Crossing Education Centre. (Please ensure children bring a packed lunch if they have not requested one from school).

21st November: School photographs.

28th November: P6B Titanic Assembly

4th/5th December: Christmas Nativity

17th December: Christmas Pantomime.

Christmas Break: School closes at usual time on Friday 20th December and reopens at 08.50am on Wednesday 8th January 2020.

What we are learning:

Curriculum areas and subjects

In literacy we will be creating our own poetry and letters using our WWI topic as the focus. In Maths, we are learning about coordinates, different strategies for addition and subtraction with differentiated amounts.

ICT - Movie making.

Interdisciplinary Learning

This term we are learning about World War I. We will be learning about what caused the war, who was involved, what life was like for those fighting and at home during the war and how it was brought to an end.

Health and Wellbeing - Making a difference.

PE - Gymnastics

All children should now have a full P.E. kit consisting of gym shoes, shorts and a change of t-shirt.

Gym days - Monday with Miss Bell
Tuesday with Mr Robertson.

Opportunities for personal achievement:

The children are working towards their bronze, silver and gold merits. They participate in Golden Time on a Friday. Bike-ability will continue this term with all children having the opportunity to take part.

Please let us know of any achievements your child has out of school, so we can celebrate their success and include them in our class 'Proud Cloud'.
